"Mrs. Tyas' husband having entry for the S.W. quarter of this section gives them as much water front as Ray so they each have about the same right to the fraction."

Mrs. Patience Tyas, who claims ownership of the S.E.¼ of said Section 35, shown on the sketch outlined in green, desires to purchase the land in question. The said S.E.¼ of Section 35 was patented in October, 1915, to Mr. M.V. Hay, who was granted permission to purchase the said fractional N.W.¼, but did not avail himself of the privilege.

The fractional S.W.¼ of Section 35, shown on the sketch coloured yellow, is the purchased homestead of Mr. J.H. Tyas, the husband of the applicant.

Mr. A.W. Hay, the homesteader and pre-emptor of the N.W.¼ of Section 35, shown on the sketch coloured pink, applied in October, 1916, to purchase the parcel in question, being advised that his application could not be favourably considered as it would give him control of too great an extent of water frontage.

The Homestead Inspector, in his report hereunder, states that the land applied for consists of light soil suitable for grazing and is worth $5.00 an acre, and re-

Sir,-

Pt. S.W. ¼ Sec. 6 Tp. 85 Rge. 1 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

[illegible]

Sir,-

S.E. ¼ Sec. 24 Tp. 40 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.
